3 Squared: Delivering Exceptional Information Technology Services

Proudly founded in 2016, we are a distinguished **SBA certified 8(a) and Service-Disabled Veteran-Owned Small Business**. Our President and Chief Executive Officer, Asim J. Walker, brings over 26 years of industry expertise, including two decades of active duty service in the United States Air Force. His multifaceted background spans roles such as Cyber Space Communications Operator, Program Manager, Project Manager, Quality Assurance Manager, and Information Systems Security Manager.

We have cultivated strong relationships with our Government Partners and Stakeholders through unwavering dedication. Our projects consistently achieve "Exceptional" performance ratings, a testament to our proven capabilities and steadfast commitment to quality standards.

At 3 Squared, we uphold rigorous operational and quality benchmarks, including ISO 9001:2015, Information Technology Infrastructure Library (ITIL), Agile Solutions, and Project Management Body of Knowledge (PMBOK) principles. Additionally, our 6 Sigma Lean certifications underscore our relentless pursuit of excellence.

With this solid foundation, we deliver unparalleled Information Technology Services, setting the standard for quality and innovation.

Path to Partnership:

At 3 Squared, we believe in simplicity and efficiency. Becoming a partner with us is straightforward, and we offer a range of prominent Direct Award and IDIQ contract vehicles to meet both short-term and long-term requirements. Explore our Contract Vehicles column for examples of the options available. When you're ready, reach out to us, and we'll guide you through the specific procedures and directions. Let's embark on a successful partnership together!
