About

3 Squared

Our President and CEO, Asim J. Walker, brings over 26 years of industry expertise, including two decades of active duty service in the United States Air Force. His background spans roles such as Cyber Space Communications Operator, Program Manager, Project Manager, Quality Assurance Manager, and Information Systems Security Manager.

We have cultivated strong relationships with our Government Partners and Stakeholders through unwavering dedication. Our projects consistently achieve “Exceptional” performance ratings, a testament to our proven capabilities and steadfast commitment to quality standards.

At 3 Squared, we uphold rigorous operational and quality benchmarks, including ISO 9001:2015, ITIL, Agile Solutions, and PMBOK principles. Additionally, our 6 Sigma Lean certifications underscore our relentless pursuit of excellence.

With this solid foundation, we deliver unparalleled Information Technology Services, setting the standard for quality and innovation.
